

Department of Production Engineering
Organizes

NATIONAL

CONFERENCE ON PRODUCTION ENGINEERING

COPE-2016

(7th Oct 2016 - 8th Oct 2016)

(Under TEQIP-II)

GURU NANAK DEV ENGINEERING COLLEGE
(An Autonomous College US 2(f) and 12(b) of UGC Act 1956)

Gill Road, Gill Park, Ludhiana-141006(Punjab), INDIA
Website: www.gndec.ac.in
e-mail: fdp.pe.gndec@gmail.com
Phone: +919872257575, 9803566002

CORE COMMITTEE MEMBERS

Patron:

Prof. (Dr.) M.S Saini, Director

Conference Chairman:

Prof. (Dr.) J.S Grewal (HOD)

Conference Coordinator:

Prof. (Dr.) Rupinder Singh

Conference Co-Coordinator:

Dr. Harpuneet Singh

Prof. Jagdeep Singh

Organizing Secretary:

Prof. Manjot Singh Bedi

Organising Committee Members:

Prof. Arshpreet Kaur

Prof. Kanwalpreet Sahni

Prof. Gauravdeep Singh

Prof. Paramjit Singh

Prof. Rohit Sharma

Prof. Gulraj Singh

NATIONAL ADVISORY COMMITTEE

Dr. Jaimal Singh Khamba (Pbi University, Patiala)

Dr. Buta Singh Sidhu (PTU, Jalandhar)

Dr. Sandeep Grover (YMCA, Faridabad)

Dr. J.S. Hundal (GZSCET, Bathinda)

Dr. IPS Ahuja (Pbi University, Patiala)

Dr. J.S. Dureja (Pbi University, Patiala)

Dr. O.P. Singh (BCET, Gurdaspur)

Dr. Vishvajeet Hans (PAU, Ludhiana)

Dr. Neelkanth Grover (SBS, Ferozepur)

Dr. Ajay Batish(Thapar University, Patiala)

Dr. Harpreet Singh(IIT, Ropar)

Dr. Shankar Singla(SLIET, Sangrur)

Dr. Sanjeev Kumar(PEC, Chandigarh)

Dr. Vishal Sharma (NIT, Jalandhar)

Dr. Anish Sachdeva(NIT, Jalandhar)

Dr. Sarabjeet Singh(NIT, Jalandhar)

Dr. Harish Garg(GZSCET, Bathinda)

Dr. Sehijpal Singh (GNDEC, Ludhiana)

Dr. P.S. Bilga (GNDEC, Ludhiana)

Dr. G. S. Brar (GNDEC, Ludhiana)

Dr. Harwinder Singh (GNDEC, Ludhiana)

Dr. Jatinder Kapoor (GNDEC, Ludhiana)

Dr. Harmeet Singh (GNDEC, Ludhiana)

Pf. Deepinder Singh (GNDEC, Ludhiana)

PUBLICATION SCHEDULE

Submission of full length draft paper for review 20/09/2016

Acceptance and revision notification to author 25/09/2016

Submission of camera ready paper and copyright form 27/09/2016

Last date of registration 03/10/2016

NOTE: The papers to be submitted on : fdp.pe.gndec@gmail.com

Acknowledgement will be given after receipt of paper

NOTE: Selected papers will be published in following International Journals:

- 'International Journal of Advanced Mechatronics and Robotics'. Serial Publications, New Delhi.
- 'International Journal of Materials Science and Engineering'. Serial Publications, New Delhi'

There will be strict check on the Plagiarism during the selection of papers(≤30%)

NO TE: For one registration, only one paper can be submitted.

REGISTRATION

Category	Registration fee(Rs.)
Corporate/ Industry Delegates	2000
Delegates from Academic Institutes	1500
Research Scholars/Students	1000

Registration fee can be paid by Demand drafts only in favor of "Director, Guru Nanak Dev Engineering College, Ludhiana" payable at, Ludhiana

CALL FOR PAPERS

Track One: Manufacturing Technology

- Metal cutting and Machining
- Casting /Forging/ Welding/Tribology
- Non Traditional Machining/Powder Technology

Track Two: Production Design and Planning

- Automation, Mechatronics and Robotics
- CAD/CAM/CAE/CIM/CAPP/PPC
- Cutting Tool Design
- Product Design and Development

Track Three: Materials Technology

- Composite Materials /Technology
- Elasticity, Plasticity and Visco-elasticity
- Material Engineering, Science and Processing
- Mechanical Metallurgy / Non-Destructive Evaluation

Track Four: Industrial Engg. and Management

- Lean Manufacturing/Maintenance and Reliability
- Industrial Engineering/Value Engineering
- Operations Research and Management
- Supply Chain Management/TQM
- Modeling and Simulation of systems

ABOUT THE INSTITUTE

Guru Nanak Dev Engineering College (An Autonomous College under UGC Act), established in 1956, has been straining persistently in the field of education by comprehending the need for upliftment of rural youth in highly competitive, technologically-elevated society, in particular, and understanding the thirst for knowledge of students and quenching it in general. The College has been declared an Autonomous College by UGC, New Delhi on 17.8.2012. This college has the privilege of starting Ph.D degree under Quality Improvement Programme (QIP) by AICTE, New Delhi. Recently, the Institute was ranked Best Government Engineering College Award (ABP, earlier known as Star TV) & 3rd position under the category of Top Engineering College ranked by State (CSR- GHRDC Engineering College Survey 2012). Apart from offering various Accredited graduate level B.Tech courses vis-a-vis Civil Engineering, Computer Science & Engineering, Electrical Engineering, Electronics & Communication Engineering, Mechanical Engineering, Production Engineering, Information Technology, the institute imparts instruction in eleven Postgraduate M.Tech courses both on regular and part time basis. An excellent platform is provided to the researchers leading to Ph.D degree program.

ABOUT THE DEPARTMENT

The first batch of M.Tech. (Production Engineering) started as part-time programme in 1980 followed by M.Tech. (Production Engineering) full-time programme in 1983 under Mechanical Engineering department. The department was renamed as Department of Production Engineering on January, 2009 and is functioning independently. At present it offers undergraduate course in Production Engineering (independently) and postgraduate courses in Production and Industrial Engineering (in collaboration with Mechanical Engineering Department). The department has laboratory and workshop facilities with modern sophisticated equipment to carry out research in all areas related to Production and Industrial Engineering. The faculty actively participates in sponsored research and consultancy work. The undergraduate course has been accredited twice by NBA and all the courses offered by department are AICTE approved. The department is having very good pass percentage (in stipulated time) usually above 95% for undergraduate students. In last four years as independent department, Production Engineering is continuously maintaining strong International collaboration with outside world in form of joint research publications, editorial board memberships of reputed International journals.

LOCATION

GNDEC is located in Ludhiana, Punjab on Ludhiana-Sangrur state highway. Ludhiana city is a well known Industrial hub in Northern India and is well connected by direct rail service with all parts of India. The beautiful campus is about 7 Kms. away from railway station. The weather in the month of October in Ludhiana is warm (19°C to 32°C).

ABOUT THE CONFERENCE

The field of Production Engineering embraces a broad spectrum of technical activities including Production design and engineering along with the classical techniques of work methods, Production and facility planning, Quality control and Safety. It also embraces the fields of human factors, operation research, manufacturing systems and organization & Management systems. The proposed National conference will be premier forum of communication of new advances and research results in the fields of Production Engineering. This conference shall provide a platform to researchers, engineers and scientists in the domain of interest from around the country. It shall provide a platform to present the strong methodological approach and application focus on production engineering that will concentrate on various techniques and applications. The conference topics shall cover new theoretical and experimental research findings in the fields of Production Engineering and closely related fields. The conference also encourages the submission of critical review articles and technical notes covering advances in recent innovation in Production and it allied fields

REGISTRATION FORM

NAME:.....

INSTITUTE/INDUSTRY:.....
.....

DESIGNATION:.....

GENDER:..... **D.OB.:**.....

ADDRESS:.....
